Marlee Stirling and Laura

Kanon

J. Pachelbel

Special guest and artist Ynggrid Rivas is presenting three selections from her work "Believe in me"

"My project is about understanding autistic people. About helping people see past the label, and into the person. I've found that the best way to connect with autistics is by showing interest on the topics they like, on what others might call their obsessions, but I choose to call their passions."

Daniel Puertas	<i>Shave and a Haircut</i>	Faber
Nora Onay	<i>Painting with Pastels</i>	Faber
